

The Bug Farm is  
delighted to present...

# Spider Identification Course

with Peter Smithers

10<sup>th</sup> June 2017

10:00am – 4:30pm

At The Bug Farm, St Davids, SA62 6BX

Peter Smithers is a renowned entomologist with a particular interest in arachnids. A fellow of The Royal Entomological Society, member of the British Arachnological Society, author and Lecturer at the University of Plymouth, Peter has spent the last 20 years investigating the wonders of spiders!

This course is aimed at anyone with an interest in spiders but no or limited knowledge of them.
